Baby Think It Over Committee	\$3,000	An educational program offered to all Grade 9 classes in Lunenburg and Queens Counties. RealCare babies are realistic infant simulators that offer “learning by doing” for students. Request is for funding for operating expenses.	Funds approved for batteries, repairs and supplies for babies. Program is offered in all schools for Grade 9 students and is an important element of the family planning aspect of lifestyle studies.
Recreation and Parks, Chester Municipality	\$3,000	Funds for a training program, “Skate Pass”, an education program re skateboarding and skateboarding safety. Program is for teachers, adults, and youth associated with new skateboard park in Chester.	Program will benefit young adults from ages 14 -25, providing healthy recreation for an age group more likely to participate in high risk or problem behaviors.
Sexual Health Centre (formerly Planned Parenthood)	\$3,000	Design of a new sexual health education website, to appeal to young adults in particular, and to better meet the needs of the local community.	Website is an important way of reaching teens with information on sexual health, and how to source services they may need.
Community Wheels	\$2,310	Community Wheels is a public transportation service, operating two days per week for residents of the Municipality of the District of Chester. Funding is requested to expand service by adding a monthly trip to the South Shore Regional Hospital and Bridgewater.	This amount is for project expenses. Wages not funded, as this is the policy of the Board.
New Germany Elementary School	\$1,550	Develop a cross-country ski league for the New Germany area, for children, youth, and adults. Request is for funds to repair existing cross country ski gear, purchase additional equipment, repairs for storage building for skis, wages for coach, etc.	Fund “Jackrabbit” fees and budget for skis. “Jackrabbit” is a national ski league for children, sponsored by Cross County Canada. No funding for the wages – this is policy of the Board.
West Northfield School Playground Ctte.	\$2,000	New playground equipment for this elementary school to replace outdated and unsafe equipment.	
V.O.N. Lunenburg County	\$2,500	Funds to promote the Safety Check-In program through a marketing campaign. Safety Check-In, run by volunteers, is offered free-of-charge by the V.O.N., to help individuals who are housebound and/or living alone.
